## June 2025 Newsletter

Dear Residents,

As the days grow longer and the scent of summer drifts through the air, I want to take a moment to warmly welcome you into this beautiful new season. June has arrived, and with it comes a renewed energy throughout our village — the parks are blooming, children's laughter returns to the playgrounds, and our waterfront begins to sparkle with more activity.

Port Washington North is truly special this time of year. Whether you're enjoying a stroll along Bay Walk Park, visiting Mill Pond, or simply savoring a sunset from your backyard, I hope you're finding time to soak in the joys of our community and all the beauty it has to offer.

As your Mayor, I'm proud to say that our village continues to thrive thanks to the shared spirit of care, pride, and neighborliness that you bring to it every day. This summer, we're continuing our efforts to keep Port North a safe, welcoming, and vibrant place for all.

We also encourage you to support our local businesses — whether it's stopping by for an ice cream, enjoying a waterfront meal, or shopping small, your patronage helps keep our village strong and connected.

On behalf of the Village Board and staff, I want to wish you a safe, healthy, and joyful start to summer. May this season bring sunshine to your days and continued warmth to our growing sense of community.

With gratitude,

Mayor Bob Weitzner

As we welcome the summer months and the joy they bring, we'd like to remind everyone to please drive with extra caution throughout our village.

With schools out for the season, our streets, parks, and neighborhoods are more active with children biking, walking, and playing outdoors. Let's all do our part to ensure their safety by:

- Slowing down in residential areas
- Stopping fully at all stop signs and crosswalks
- Staying alert for pedestrians and cyclists
- Avoiding distractions while driving

A moment of caution can make all the difference. Thank you for helping us keep Port Washington North a safe and welcoming community for families all summer long.
